

# Elkhorn Parks & Facilities Safety Survey

The City of Elkhorn recognizes the importance of the parks to the community as a whole. With the spring and summer season just around the corner our parks and their facilities will become more populated. The City of Elkhorn Police Department and the Parks and Recreation Department have continued their partnership to help keep these places a safe and enjoyable place for young and old alike to enjoy recreation and the outdoors. It is recognized that not only the reduction of reported crimes is important, but the perception of the citizens using the parks, and those who reside near the parks is important as well. By being progressive in our efforts we hope to continue the tradition of having safe and beautiful parks within the City of Elkhorn.

In order to accomplish this it is important to enlist the help of the community stakeholders. It is with your help that we can continue to serve the community and its residents in a progressive and effective manner. If you observe criminal or inappropriate behavior we encourage you to contact the Elkhorn Police Department at 723-2210. In the event of an emergency dial 911.
