Discussion regarding Police Department Standards for Towing and Recovery Call-Out Lists
Mayor Reynolds said in his opinion the Elkhorn towing business should get first shot at towing. Alderman McClory agreed saying City owned businesses should be on a priority list and if they can’t accommodate the job then go to others within 10 minutes of City. He supports local businesses and did not want to see them lose work. Administrator Heilman said not all towing companies can towing larger equipment. A local business owner said he will move outside the City limits if his business is off the list as a priority. He said it is cheaper to be outside the City and the requirements are less.
