

ELKHORN™

WISCONSIN

Check out the City's NEW Website!

In July the City's new website went online and has many new features that help keep citizens better informed and actively updated on City activities. The website features:

- A **subscription service** that allows you to sign up to receive the City's newsletter automatically delivered to your email. Other subscription services include notifications for City alerts, such as street closings, winter weather alerts or other emergency notifications.
- Street light out? Submit it to the City! Need a tree trimmed? Submit it to the City! An online fillable form let's you **submit a request or concern** to a specific department in the City. This feature allows residents to check on the status of their request/concern by entering the assigned 'ticket' number when revisiting the site, or a response can be received by email or phone call.
- Interested in renting a City facility? A calendar showing use and availability for each facility is on the website. This feature includes the ability to **request to reserve a facility** online.
- An **Elkhorn Business Directory** allows businesses to submit their information to be published on the website including the hours of operation, interactive map, and mobile-responsive images. This is a free service for City of Elkhorn businesses.
- The **Fully Searchable Documents and Forms** feature reduces the time residents spend scrolling through pages of information. Instead, all documents are searchable and the website has an Advanced Search Functionality that allows residents to quickly locate information.
- A new **Projects page** shows you the projects the City is currently working on and what stage in the process they are in. This page also helps commuters plan travel routes using the interactive mapping feature.
- The ability to sign up to receive **City Alerts and Notifications** sent to an email.

MAYOR'S MESSAGE

It's hard to believe that another great Elkhorn Summer has ended...and what a summer it was! I hope that you were able to get out and enjoy all the great events that summer in our city offers. From Movies in the Park to the Saturday morning Farmer's Market to Elkhorn Community Days, there was a little something for everyone!

The cooler days of autumn do not bring a slowdown in the action around our City. The fall recreation catalogue is out and there are a lot of great activities for every age and don't forget about Oktoberfest, Scare on the Square and the Annual Christmas Card Town Parade.

I am also excited to announce that our new water treatment facility will be opening in September! Residents will get a chance to tour the new facility during an open house later in the month. The construction on Jackson Street is completed and you may have noticed the new paint job our water towers got.

I hope that everyone has an enjoyable fall and enjoys everything our great city has to offer!

Yours truly,

Mayor Howie Reynolds

12th Annual Elkhorn Oktoberfest

Saturday, October 21, 2017, 9:00 a.m. – 5:00 p.m.

Downtown Elkhorn: Craft and Vendor Booths, Chili Cook-Off, Wine and Beer Tasting, Car Show, Kid's Activities, Live Music, Shuttle Service and Entertainment!

Visit the Elkhorn Area Chamber of Commerce's website for more information: elkhornchamber.com

CHRISTMAS CARD TOWN

Experience the small town comfort and joy of the holiday season in Elkhorn. Join Peoples Bank Friday, December 1st at 6:30 p.m. as we light up the town with Christmas Spirit at the Town Christmas Tree Lighting with the big man himself—Santa Claus—and his special helper, as they wave their wands to magically light the tree in the downtown square. Afterwards, all are welcome to the Matheson Memorial Library for the Peoples Bank sponsored Santa and Mrs. Claus Reception. Enjoy free hot chocolate, cookies, music and crafts while the kids wait for their turn to tell Santa what they want for Christmas. Parents don't forget to bring your cameras!

Then, on **Saturday, December 2nd**, bundle up the family and grab a spot downtown to watch the **36th Annual Christmas Card Town Parade beginning at 1:30 p.m.** Many line up to see the Christmas decorated floats, novelty acts, music, animals, and of course, Santa and Mrs. Claus.

CITY OF ELKHORN TRICK OR TREATING

Trick or treating within the City of Elkhorn will take place **Tuesday, October 31st from 5:00 p.m.—7:00 p.m.**

The following is a list of safety tips to ensure that your trick or treat experience is a fun, safe experience for both yourself and your children:

- Do not allow a child to go “Trick or Treating” alone. Be sure older children TAKE A FRIEND and an ADULT accompanies young children.
 - Be certain to accompany young children to the door of every house they approach.
 - Children should be cautioned that they should NOT enter any home without permission from their parents.
 - Make sure that all children carry a glow stick or wear reflective clothing. Facial masks should allow children to see and breathe properly and easily. All costumes and masks should be clearly marked as flame resistant.
- Parents should inspect all treats and dispose of anything that seems to have been tampered with, has been opened, or is not wrapped.

MULCH YOUR LEAVES INSTEAD OF RAKING & IMPROVE YOUR LAWN

Tired of raking leaves to the curb only to have the wind put them back into your yard, or your neighbors yard? (Or have your neighbors leaves end up in your yard?) Trees drop leaves at different times, so usually one raking doesn't get the job done either, then you may end up having to bag those late drop leaves—which can be back breaking work. Try something new, easy and quick this year! Mulch the leaves! It is clean and easy and adds back beneficial nutrients into your lawn. Just use your lawn mower and you will be finished in the same amount of time it takes to mow your lawn! And research conducted by Michigan State and Purdue University show that lawn quality is improved by mulching leaves into the grass. Give it a try this fall.

WINTER SIDEWALK CLEARING

A reminder to keep sidewalks safe this winter. Per the [Elkhorn Municipal Code](#), the entire width of the sidewalk needs to be cleared of all accumulated snow and/or ice within 24 hours of the time that the snow or ice ceases to accumulate. If ice has accumulated, the owner is required to sprinkle the sidewalk with necessary material to accelerate melting or prevent slipping. Owners of property with sidewalks on two intersecting streets are required to remove snow and ice from the sidewalks of both streets, including the area bordering the crosswalk and the curb ramp. Do not plow, push, shovel or throw snow or ice onto any public streets, alley, sidewalk or public lands dedicated to public use except for parcels or lots where buildings are constructed within 5 feet of the street right-of-way and the sidewalks exist from the City right-of-way to the curb line. In such instances, it is permitted to deposit, in a nonhazardous manner, snow and ice from their sidewalks only onto public streets. If the City has to remove the snow and/or ice, the property owner will be charged without prior notice.

UTILITY DEPARTMENT NEWS

The Water Department will be doing the annual City wide hydrant flushing September 10–14 from 10 p.m. through 6 a.m. If you have any questions or concerns about the hydrant flushing, please call our office at 262-723-3138.

The Water Department continues to do cross connection inspections. The areas focused on are:

- Completing the Jackson Creek Subdivision We have only a couple of homes that we have not had access to.
- Completing the Green Acres Subdivision. We have just over 10 homes to gain access to for inspection.
- Completing the Pines Subdivision. We have over 30 homes in that subdivision left to do.
- Continuing our last area for this year with the areas between S. Lincoln St, E. Geneva, Harmony, and Centralia.

Cross connection inspections are required by the Department of Natural Resources (DNR) for all commercial and residential properties. The purpose of a cross connection inspection per Chapter 15.07 of the Plumbing Code “...is to protect the public water system from contaminants due to backflow of contaminants through the water service connection and to comply with the State mandate for maintenance...” Again, the DNR requires the inspections be completed because of the importance to protect the public water system. Failure to comply with the City and the DNR mandated program may cause a disconnection of water service until the inspection is completed.

The inspection takes approximately 15-20 minutes to complete. If you are in any of these areas and have not complied with the inspection access request, please call our office immediately at 262-723-3138 to schedule your appointment as soon as possible. We thank you in advance for your cooperation in ensuring safe drinking water for your family and the community.

Electric and water meter change outs continue. A couple of reasons requiring a water or electric meter change out is when the Billing Office flags the service for zero or unusual consumption. Electric meter change outs usually do not need an appointment and generally take just a few minutes. Water meter change outs require an appointment as Water Techs need access to the water meter inside your home. These appointments normally take about 30 minutes. During the water meter change outs, our Techs will also perform a quick cross connection inspection. Performing the cross connection inspection at the same time allows the department to get the inspections done without an additional appointment that could possibly cause an inconvenience for our customers.

We would like to suggest that customers who have contact information that has changed, please call the Billing Office at 262-723-2910 (option 3—Billing) to make sure phone numbers and contact information is up to date. The Operations Department has had a lot of service orders with wrong numbers or no phone numbers, making it more difficult to reach out to the customers in the event of meter or service issues.

The Elkhorn Utility Department has a Facebook Page as another way to follow the “happenings” throughout the City in regards to the Electric and Water Departments. We encourage you to follow our Facebook page at <https://www.facebook.com/COEElectricDept>

BE SURE TO PAY YOUR UTILITY BILL THIS WINTER

Just a reminder for customers to continue to pay their utility bills throughout the winter months, so that a large utility bill on April 16th can be avoided. The bill does not go away, it just accumulates with penalties.

Elkhorn Light & Water will not offer a DPA to a residential customer who is a tenant if any of the following criteria applies:

1. The residential tenant has greater than \$100 of account arrearages that are more than 90 days past due.

“The bill does not go away, it just accumulates with penalties.”

2. The residential tenant has defaulted on a deferred payment agreement in the past 12 months.

3. The residential tenant is responsible for account arrearages that were placed on any property owner's tax bill in the utility's service territory in the past 24 months.

4. The residential tenant has a balance that accrued during the winter moratorium that is more than 80 days past due.

Anyone within any of the above categories will not be allowed to make a DPA in the future.

HOME ENERGY ASSISTANCE

Energy Services for Walworth County is now taking applications for home energy assistance. To qualify for assistance, households must have gross income for the three months immediately preceding the month of application that is at or below 60 percent of the state median income guidelines. Income guidelines for the 2017-2018 program year are: \$6,650.25 gross income 3 months prior to application for household of 1; \$8,696.25 for household of 2; \$10,742.50 for 3; \$12,788.75 for 4; \$14,835 for 5; \$16,881.25 for 6; \$17,264.75 for 7; and \$17,648.50 for 8.

To apply, applicants must provide Social Security numbers for all members of the household, most recent energy bill, photo identification and written proof of household's gross income for the three months prior to the application.

To apply or for more information call 1-262-427-8505 or visit homeenergyplus.wi.gov.

NOMINATION PAPERS FOR CITY OFFICES AT SPRING ELECTION

Anyone interested in running for the elected offices of Mayor or Alderman in District 3, 4 or 6 may obtain the necessary documents from the City Clerk's office beginning November 13, 2017 or [on the City website](#). New candidates should file a [Campaign Registration Statement](#) as soon as intent to seek elective office is known and before funds are collected or spent. Candidates may begin circulating nomination papers on December 1, 2017. Signed nomination papers must be filed with the Clerk by 5 p.m. on Tuesday, January 2, 2018. Contact the City Clerk with any questions on running for office. The spring election will be held on April 3, 2018. If necessary, a primary election will be held on February 20, 2018.

SPEEDING—SLOW DOWN FOR EVERYONE'S SAFETY

One of the more frequent concerns we hear from residents is that of vehicles speeding in their neighborhood, which not only causes concerns for their personal safety and that of others but the associated problems of noise. Often what follows is a recommendation to erect stop signs to slow motorists or install more speed limit signs, which people mistakenly believe will solve the problem. The police department's initial response is to evaluate the concern and we do this by ensuring the speed zone is appropriately posted according to DOT standards, reviewing crash statistics, as well as collecting speed data

in the area of the concern. Estimating vehicle's speeds from a stationary position is often difficult, even for those who have been trained, and quite often the results of the data collection reveal that overall vehicle speed is not what it was thought to be. Nevertheless, from that data we are able to glean a wealth of information to enhance our enforcement efforts. From the data collected we are able to determine what is referred to as the 85th percentile speed, which is important as the 85th percentile represents the speed that 85% of motorists are traveling at or below. Further, studies have shown that the 85th percentile represents the speed that motorists believe is safe to travel at and is a factor to determine what the speed limit should be posted for. In addition, the data will guide our enforcement efforts as it will provide the days and times when the problem is more prevalent. From this information, the police department can focus its resources more effectively and efficiently and look to address the driving behavior of those motorists that are most likely to cause traffic crashes.

Please keep in mind that speed was a factor in nearly 1/3 of the fatal accidents in Wisconsin in 2014 and crashes are more likely to occur in urban areas. The police department is asking for your cooperation in enhancing traffic safety by slowing down for everyone's safety. If you have a concern of motorists speeding in your neighborhood, please contact Captain Jon Anzalone at (262) 723-2210 or janzalone@elkhornpd.org.

WINTER PARKING REGULATIONS

The parking or leaving of any vehicle on any street in the City is prohibited when the National Weather Service has issued any of the following winter storm messages which are in effect for our area: winter weather advisory, winter storm warning or blizzard warning. These parking restrictions will remain in effect for a period of 12 hours after the expiration of the winter storm message. Failure to comply may result in the removal of any vehicle parked in violation of this, and the vehicle owner shall be responsible for the cost of towing, storage and any other charges in connection with its removal in addition to the penalties set forth in [the city ordinance](#).

The City offers an **alert notification reminder** when National Weather System winter storm messages prompts winter parking regulations. To sign up to receive text notifications to your cellular phone of the start of parking restrictions in the City, text this message: **@elkhorndpw** to: **81010** (this service is free, however, texting rates may apply). You can opt-out of messages at any time by replying: @LEAVE.

ANOTHER SUCCESSFUL SUMMER AT SUNSET POOL!

Despite a cool and rainy summer, Sunset Pool was still the place to be this summer. We had over 10,000 people purchase day passes along with over 500 memberships sold. New this summer, we offered numerous birthday packages. Public and private parties remained popular and in high demand. Dates book quickly so mark your calendars – April 6th reservations will open. Party options and days/times available will be in Spring/Summer guide. Keep us in mind when planning your next party!

Sunset Pool Memberships 2017	
# of Individual Resident Memberships	70
# of Individual Non-Resident Memberships	45
# of Family Resident Memberships	297
# of Family Non-Resident Memberships	137
# of Babysitter Passes Resident	17
# of Babysitter Passes Non-Resident	7

Sunset Pool would not have been so successful over the last three years without the hard work and dedication from our pool manager, Alyssa Markuson. She has worked for the Rec Dept. first as our camp lead and then moved into the pool manager position. She helped create many of the guidelines that keep our patrons safe. While managing both a full-time teaching job as well as obtaining her Master’s Degree and remodeling her first home, she has poured her heart and soul into our swim program. She managed both the indoor lessons during the fall-winter months as well as spent many hours managing Sunset Pool and guiding the seasonal staff. We will miss you Alyssa!

We switched our Sunset outdoor movies this summer from Saturday to Friday nights and the numbers supported that switch! Hundreds of people came out to enjoy our outdoor screen at the band shell. We will continue with our Movies in the Park Series next year and are always looking for help with sponsorship. Thank you to Jackson Elementary PTA, Walworth County Public Health Dept., and Briggs Road EFC Church.

What’s Next...

Scare on the Square – Join us on Saturday, October 28th from 2–4 p.m. at Veterans Park. Bring an old pair of jeans and flannel and make your own scarecrow! There is a costume contest and fun activities, including pumpkin painting, for the whole family! Thank you to Mercy Health Systems and Elkhorn’s Chamber of Commerce for their participation in this event!

Strut Your Mutt, 5th Annual Reindeer Run & Grinch Sprint – Saturday, December 2nd. This year we are getting groovy! Learn more and register at ElkhornReindeerRun.com.

WHAT'S NEW AT MATHESON MEMORIAL LIBRARY?

We welcome two new staff members to our team at the library! They are Terri Dellamaria and Maria Parks. They will be working mostly at the Youth Services desk, helping with children's and teen programs, and assisting with marketing and social media for the library.

If you don't already have a library card, stop in the library during September to help us promote "Library Card Sign-up Month." A library card is an important school supply for every child. Library cards are free and will give you access to books, movies, video games and so much more! You can use our free databases on our digital resources page. Overdrive has announced a new mobile app for Wisconsin's Digital Library called Libby. This app is designed to streamline and simplify the experience of downloading eBooks and audio books to your ereader, tablet or other device. Using our other databases, you can research your family tree using Ancestry.com, look up auto repair diagrams, or learn a foreign language using Duolingo. Gale

Courses offers a huge variety of courses you can take to develop invaluable job-related skills in a number of career fields. Examples include, using Microsoft Office, Accounting Fundamentals, and Creative Writing. Start developing career-changing skills today! These are all available to you with your library card.

We offer many programs for all ages at the library. We have baby and toddler story times, after-school programs like Lego Club, Messy Art Club and Mad Scientist's club, and a variety of programs for adults including two book discussions each month. On September 21st, at 6:30 p.m. we will welcome Amy Reichert, Milwaukee author of *The Simplicity of Cider*, *The Coincidence of Coconut Cake*, and *Luck, Love, and Lemon Pie* for an evening of discussion and book signing.

Then on October 18th, at 6:30 p.m., we welcome author Chad Lewis to talk about *Hunting the World's Scariest Monsters*. Check our web site www.elkhorn.lib.wi.us or library newsletter for more information on these and other programs.

Support the Friends of the Library by joining for just a \$10 membership fee. We are looking for new members and volunteers to help at our events. The Friends will host a Trick or Trivia event on October 27th, Fridays with Oscar Movie Nights in February, and they work diligently to maintain their ongoing Book Store in the library, along with many other events throughout the year. Mark your calendars for a mini-golf event *in the library* on Friday, December 29th, that will be fun for the whole family.

As always, I encourage you to contact me with any comments or suggestions regarding the library. You can reach me by phone at 262-723-9140 or by email at lsejje@elkhorn.lib.wi.us

WALWORTH COUNTY CLEAN SWEEP HOUSEHOLD HAZARDOUS WASTE DISPOSAL

The Walworth County Public Works Department is sponsoring a Clean Sweep Program Friday and Saturday, October 6th & 7th. This event will help household residents, businesses, schools and municipalities properly dispose of damaged, banned, unusable or unwanted products that contain volatile chemicals.

Clean Sweep services are provided free-of-charge to household residents who may drop off items without an appointment at the following times and locations:

Friday, October 6th - 3:00 p.m. to 5:00 p.m. City of Delavan, 490 Richmond Rd (Cty Hwy M & P), Delavan and City of Whitewater Public Works Complex, 150 East Starin Rd, Whitewater

Saturday, October 7th - 8:00 a.m. to Noon Walworth County Public Works Department, W4097 County

Road NN, Elkhorn

Clean Sweep program services are also available to any business, municipality, school, or other service provider that generates small amounts of hazardous waste, and classifies as a Very Small Quantity Generator (VSQG) according to DNR standards. VSQG program participants pay for product disposal but the cost is significantly less than contracting individually for this service. The program is cost-effective and convenient. Anyone interested, must pre-register and provide a list of products they want to dispose of by Tuesday, September 26th.

For more information, please contact the Walworth County Public Works Department, at (262)741-3367 or email: walcosw@co.walworth.wi.us

NEW EMPLOYEE SPOTLIGHT

City Hall welcomes Michaela Wheeler as a Customer Service Clerk!

Michaela is a lifelong Elkhorn resident who graduated from Elkhorn Area High School in 2014. She likes fishing and camping, when she can find the time. She is very busy with her three year old daughter, who is her pride and joy. They like to read books together and play in the parks.

If you stop in City Hall be sure to say “hi” to Michaela!

Corbin graduated from Mukwonago High School in 2008. After high school he attended Ohio Technical College and then went on to enlist in the U.S. Marine Corps. Corbin served five years as a military police officer and a member of the base special reaction team while being stationed in Japan and South Carolina. In 2015 he was honorably discharged as a Sergeant and moved back to Wisconsin. Corbin then became a student at Waukesha County Technical College where he earned his associates degree in Criminal Justice and then attended law enforcement academy there as well. Corbin started working for Elkhorn Police Department in April 2017 and is currently living in East Troy with his wife Sarah.

Welcome to the City, Patrolman Corbin Renner!
