We have just finished completion of our new administration building. What a great new addition to our city! For your convenience, we will be keeping the drop box for your city payments downtown at the Matheson Memorial Library.

With fall approaching, we have some wonderful events coming up in downtown Elkhorn: the 16th Annual Elkhorn Oktoberfest on October 16th and the annual Christmas Card Town parade on December 4, to name a couple. I am looking forward to seeing you and your family around our beautiful city this fall!

Yours truly,

SUMP PUMP AND CLEAR WATER DISCHARGE

Please be advised that an ordinance adjustment regarding sump pump discharge was in effect on April 1, 2020 (Ordinance Chapter 13.4.040). Summarized adjustments are as follows:

- All sump pumps shall be connected to existing City of Elkhorn storm sewers as long as said City systems are within or near the existing parcel's frontage and out of the roadway.
- Sump pumps not connected to a City of Elkhorn system (as allowed, as noted above) may discharge over hard surfaces from April 1st to November 1st; discharge to terraced areas (grass surfaces) is permitted year round.
- If sump pump discharge is determined to create a Public Nuisance by causing freezing or slippery conditions within public right-of-way then the nuisance shall be promptly and properly abated.
- Sump pump piping from a building or home to the City's storm sewer system shall be the responsibility of the property owner, including connection to the public sewer.

BE SURE TO PAY YOUR UTILITY BILL THIS WINTER

Just a reminder to continue to pay your utility bills throughout the winter months, so that a large utility bill on April 16th can be avoided. The bill does not go away, it just accumulates with penalties.

Elkhorn Light & Water will not offer a DPA to a residential customer who is a tenant if any of the following criteria applies:

1. The residential tenant has greater than \$100 of account arrearages that are more than 90 days past due.
2. The residential tenant has defaulted on a deferred payment agreement in the past 12 months.
3. The residential tenant is responsible for account arrearages that were placed on any property owner's tax bill in the utility's service territory in the past 24 months.
4. The residential tenant has a balance that accrued during the winter moratorium that is more than 80 days past due.

Anyone within any of the above categories will not be allowed to make a DPA in the future.

TRICK OR TREATING

Trick or treating in the City of Elkhorn will take place Sunday, October 31st from 5:00PM- 7:00PM. The following is a list of safety tips to ensure that your trick or treat experience is a fun, safe experience for both yourself and your children:

- Do not allow a child to go trick or treating alone. Be sure older children take a friend and an adult accompanies young children.
- Be sure to accompany young children to the door of every house they approach.
- Children should be cautioned to NOT enter any home without permission from their guardian.
- Encourage carrying a glow stick or wearing reflective clothing. Facial masks should allow easy breathing. All costumes and masks should be clearly marked as flame resistant.
- Parents should inspect all treats and dispose of anything that seems to have been tampered with, has been opened, or is not wrapped.

BURNING ORDINANCE

The city's ordinance, Chapter 5.17 titled *Outdoor Fires*, was updated. One of the changes made to the ordinance includes allowing campfires, by permit, 12 months of the year, rather than just a portion of the year (permit applications can be obtained at City Hall). The biggest change to the ordinance is banning open burning. **Residents may no longer burn leaves at any time.** Officials chose to coordinate the banning of leaf burning with the expansion of yard waste drop-off hours at the new public works building.

KEEP DEBRIS OFF THE STREET

The city of Elkhorn is a permitted MS4 community as defined by the State of Wisconsin Department of Natural Resources (WDNR). With that in mind, storm water from Elkhorn, which travels to the Rock River and Upper Fox River, is now being monitored by the WDNR. In order to stay compliant and protect the environment, we maintain ordinances and policies to keep grass, dirt, branches, yard waste and garbage off the street. This prevents said debris from clogging inlets and ending up in our tributaries. We ask that you do your part and follow said policies and ordinances as outlined within this notice and as found on our website.

WINTER PARKING REGULATIONS

The parking or leaving of any vehicle on any street in the City is prohibited when the National Weather Service has issued any of the following winter storm messages in effect for our area: winter weather advisory, winter storm warning or blizzard warning. These parking restrictions will remain in effect for a period of 12 hours after the expiration of the winter storm message. Failure to comply may result in the removal of any vehicle parked in violation of this, and the vehicle owner shall be responsible for the cost of towing, storage and any other charges in connection with its removal in addition to the penalties set forth in the city ordinance.

CLEARING HYDRANTS

In the event of a fire emergency during the winter, could firefighters find the hydrant near your home?

The City of Elkhorn encourages residents to be aware of the fire hydrants near their home and keep snow shoveled away from it during the winter season. We may not have much snowfall in the coming months, but questions brought to the Common Council raised concern. Clear a path approximately 3 feet around the hydrant. This gives the fire department room to work with this hydrant should the need arise. Please consider helping a neighbor who is elderly or has a medical condition by shoveling out a hydrant in front of their home. This act of kindness will benefit the entire neighborhood. Water is the principal agent used by the Fire Department to control and extinguish fires. Delays in locating and hooking-up to a fire hydrant can seriously hamper a fire suppression operation, raising the risk of injury and possibly resulting in additional property damage.

WINTER SIDEWALK CLEARING

A reminder to keep sidewalks safe this winter. Per the Elkhorn Municipal Code, the entire width of the sidewalk needs to be cleared of all accumulated snow and/or ice within 24 hours of the time that the snow or ice ceases to accumulate. If ice has accumulated, the owner is required to sprinkle the sidewalk with necessary material to accelerate melting or prevent slipping. Owners of property with sidewalks on two intersecting streets are required to remove snow and ice from the sidewalks of both streets, including the area bordering the crosswalk and the curb ramp. Do not plow, push, shovel or throw snow or ice onto any public streets, alley, sidewalk or public lands dedicated to public use except for parcels or lots where buildings are constructed within 5 feet of the street right-of-way and the sidewalks exist from the City right-of-way to the curb line. In such instances, it is permitted to deposit, in a nonhazardous manner, snow and ice from their sidewalks only onto public streets. If the City has to remove the snow and/or ice, the property owner will be charged without prior notice.
