MATHESON MEMORIAL LIBRARY

What a year of big changes! My name is Chad Robinson, and I'm the new director of the Matheson Memorial Library. I'm very honored to be serving you, and very excited to be working with such an amazing staff at such a special library.

We're very happy to be fully back in person at the library, including programs and events for all ages. We're really looking forward to a big all-ages summer reading program, complete with a big kickoff event on June 4th...stay tuned for details! We're also actively planning with the Rec Department the return of the popular free concert series, "Sounds of Sunset," (see pg. 12) which is going to be even bigger than last year! Please check us out online at www.elkhorn.lib.wi.us; there's always something going on here. While you're there, be sure to take a look at the many online tools we have on hand. Whether using LinkedIn Learning to pick up a new skill, Reference Solutions to find new businesses, or Kanopy and Hoopla to read an eBook or watch a streaming film, we have something for everyone.

We're all book lovers here at your library, so be sure to ask our staff to share what they're reading or offer a recommendation for what could be your next favorite read. We're also here to help you with basic technology training, and to answer any questions you might have about the world around you. Try us out...we're better (and easier to use) than a search engine.

We'd also like to invite you to show your love of the library by joining our Friends group. This dedicated group of friendly volunteers raises money for the library by hosting a number of popular events like book sales and the premiere Elkhorn trivia competition: Trick or Trivia. It only costs \$10 for a year's membership, and we know you'll make new friends while being a Friend.

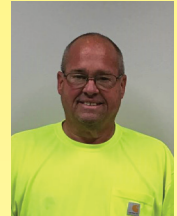

Here's to a great year ahead...see you at the library!

MATHESON MEMORIAL LIBRARY Youth Programs

READ BEYOND THE BEATEN PATH:

All ages are invited to join our summer reading program! We'll kick off on Saturday, June 4th, at 10AM with live animals, fun activities, food trucks and more. From June 4th to July 30 kids, teens, and adults can read, earn activity kits

or tickets for cool prizes, and attend lots of fun programs at the library and around the community.

STORYWAGON AT THE ELKHORN AREA MIDDLE SCHOOL:

Grab your kids and your library card and trek over to the Elkhorn Area Middle School, which is hosting this year's Storywagon! Look out for live reptiles, fun-tastic music, and a comedy show on Fridays at 10am, June 24, July 1, and July 15.

EXPLORE YOUR CREATIVE SIDE:

Maker workshops and classes for all ages. We'll be sewing, making quilts, pouring candles, using Sculpey clay, and more. Visit the library website for more information!

ADVANCED METERING

Elkhorn has begun the process of transitioning from manual meters to advanced meters. The advanced meters will enable our staff to provide proactive customer service and allow faster detection of service related problems such as electric outages, power quality issues, and water leaks. So far, we have installed approximately 1,400 electric meters. See our website www.cityofelkhorn.org for Frequently Asked Questions.

A letter will be mailed letting you know when we will be in your area and giving you more information about advanced metering. You do not have to be present when we change the electric meter but you will need to make an appointment to install a water meter.

Due to Covid and supply issues, there has been a delay in getting water meters. Once we receive the water meters in house, we will proceed in changing the water meters out.

KEEP DEBRIS OFF THE STREET

The city of Elkhorn is a permitted MS4 community as defined by the State of Wisconsin Department of Natural Resources (WDNR). With that in mind, storm water from Elkhorn, which travels to the Rock River and Upper Fox River, is now being monitored by the WDNR. In order to stay compliant and protect the environment, we maintain ordinances and policies to keep grass, dirt, branches, yard waste and garbage off the street. This prevents said debris from clogging inlets and ending up in our tributaries. We ask that you do your part and follow said policies and ordinances as outlined within this notice and as found on our website.

BURNING ORDINANCE

The city’s ordinance, Chapter 5.17 titled *Outdoor Fires*, was updated. One of the changes made to the ordinance includes allowing campfires, by permit, 12 months of the year, rather than just a portion of the year (permit applications can be obtained at City Hall). The biggest change to the ordinance is banning open burning. **Residents may no longer burn leaves at any time.** Officials chose to coordinate the banning of leaf burning with the expansion of yard waste drop-off hours at the new public works building.

REFUSE AND RECYCLING

Waste Management is contracted by the City of Elkhorn to be the provider of residential trash and recycling services for the community. Refuse will continue to be picked up weekly on your scheduled day of Tuesday, Wednesday, Thursday or Friday. See map on the next page for your pick-up day.

KEEP IN MIND:

Trash and Recycle Carts

Please use the trash cart for acceptable residential waste materials only and your recycle cart for recycling materials. Nothing outside the carts will be collected. Please do not overstuff carts. Carts may not be serviced if overfilled to point at which lid cannot be closed. Recycling will be collected every other week on the same day as your trash collection. No service is provided on holidays. (See schedule to the right.)

Cart Placement

All carts should be placed at the curb with the handles facing the house. Containers need to be at least 3 feet away from mailboxes, other containers, and any other fixed object.

Bulk Pickup

Requests for Bulk Pickups can be made by calling Waste Management Customer Service at (888) 960-0008, or by emailing wmeservice@wm.com. State that you are a City of Elkhorn resident. One bulk item pickup request can be made per week. There is a limit of 2 bulk items and/or appliances per week and a weight limit of 175 lbs per item. No charge is assessed for bulk item pickup.

ITEMS NOT ACCEPTABLE IN TRASH CARTS:

Hazardous household waste, construction debris, tires, liquid waste, yard waste, aerosol cans, batteries, electronics, dead animals, fertilizers, compressed air cylinders.

ITEMS NOT ACCEPTABLE IN RECYCLING CARTS:

All of the above plus food waste, plastic bags, film, foam cups/containers, needles.

For more information or for service issue, please contact the Department of Public Works at (262) 723-2223. You can also find additional information on our city website: www.cityofelkhorn.org.

Hello Everyone!

My name is Sammy Ahlrichs and I am the newest team member of the Elkhorn Recreation Department! I will be handling programming within the department! I am currently finishing my Master's in Sports Management at the University of Southern Mississippi. Although I have spent the past two years in the south, I am ready to get back to my roots of living in the midwest. I am originally from Eastern Iowa but much of my family lives in Wisconsin, and some of my fondest memories are in the beautiful state.

I enjoy spending my time outdoors running or walking my dog, Mavis! She is quite the attention-seeker and enjoys pets, so if you see us out and about, please don't be shy and say hello!

I am quite passionate about recreation and believe it is what enriches the lives of those living in the community. I am excited to live in a community that shares this value. I look forward to meeting everyone and hope to see you all take part in our amazing programs that are offered throughout the year!

With Joy,
Sammy Ahlrichs
