

Dear City of Elkhorn Residents,

LRS (formerly known as Badgerland Disposal) is proud to announce new curbside collection service for residents in the City of Elkhorn beginning January 2024. LRS will provide weekly refuse and every other week recycling collection for all residents.

LRS will deliver one new trash cart and one new recycle cart before your service starts in January. If you wish to have the smaller cart option (65gal), please call 608-580-0580 or email [Bltownservice@LRSrecycles.com](mailto:Bltownservice@LRSrecycles.com) by 1/30/24. **Please continue to use your current trash and recycle carts through the end of the year and leave carts at the curb on your last service day for removal by the current hauler. LRS will only service the new carts which will be delivered to each home in December.**

### **COLLECTION PROGRAM GUIDELINES:**

- Trash and recycling must be curbside by 6:00 a.m. on your designated collection day,
- On your service day, containers should be placed 3 feet apart & 3 feet from any obstruction. (*Walking between containers is a good rule of thumb, or place one container on the left side of the driveway and the other container on the right on days when both trash and recycle are scheduled.*)
- All waste / recycling materials must be **INSIDE** of the carts, waste or bags outside of the carts will not be taken, and
- On holiday weeks we operate on a one-day delay, when the holiday FALLS ON A WEEKDAY.
