Continued discussion on Police Department Policy Revision regarding Standards for Towing and Recovery Call-Out Lists

The language now allows for providers outside the City, they need to be within a 10 minute drive of the City limits and have a permanent commercial building. **Motion (Young/Boggs) to recommend approval of changes to standards for Towing and Recovery Call-out Lists. Voice vote, all approved, motion carried.**

Police Department Policy Revisions regarding Electronic Mail (#203), Disabled Vehicles (#506), and Protected Information (#805)
Chief Christensen said the updates are straightforward and he did not have any changes. **Motion (Boggs/Young) to recommend referenced police department policy revisions. Voice vote, all approved, motion carried.**

Ordinances Changes Regarding Chapter 9.02 – Weapons, Chapter 9.045 Possession of a Firearm, and Chapter 19.01.11 – Firearms – Weapons
Chief Christensen said contradictions existed in the City ordinances, State law as well as Council desired practices. He recommended removing definitions from Chapter 9.02 as they are in State statute and renumber portions not removed. He suggested getting rid of 9.045 and 19.01.111 entirely. Chief Christensen spoke to the Recreation Director concerning Chapter 19 and he had no concerns removing that portion. **Motion (Boggs/Dunwiddie) to recommend changing City ordinances with corrections as recommended by the Police Chief. Voice vote, all approved, motion carried.**
