

Hello Everyone,

Today is the day that many of you have been waiting for since April. We have opened the road to traffic. On the north end of the project in the Elkhorn business area there are changes to the traffic patterns, so please be aware of the other drivers in these areas until everyone is used to them. Due to the windy conditions, not all of the larger signs will be removed or uncovered today.

There will be small areas of work still being performed, punch list items. I ask that you please move over and slow down for the safety of the workers. The City of Elkhorn is continuing work on O'Connor Drive and the extension of Commerce Court.

This will be the last update for the WI 67 project.

Safe Travels Everyone,

Matthew Smith
