

HWY 67 Construction Update

Hello Everyone,

To update to the paving schedule, we will be finishing the turn lanes and bypass today and tomorrow from the Jackson Creek Bridge to the south toward WI 50. On Saturday we will be finishing the area from Jackson Creek to the I 43 interchange. For the schedule on Saturday, we will have two crews working the area. We will have single lane access to Commerce Ct and Morrissey Dr. while we are paving them. O'Connor to the East and west will be closed for about an hour and a half. Traffic for the Soccer fields will be routed to Commerce Drive. We will have flaggers on site directing traffic.

On Oct 5th and 9th we will be closing the bridge over Jackson Creek to finish the last two stages of the bridge repairs. The closure will not be all day, only when the crews are working.

We will be having crews working in various areas of the roadway and I ask that people use the detour.

If you have any questions please contact me. The best way is by email matthew.smith@dot.wi.gov.

Thank You,

Matthew Smith
